

THE WATERWISE IRRIGATION DESIGN SHOP PROGRAM

Western Australia

Code of Conduct/Acknowledgement

Version 1 : October 2023

WATERWISE IRRIGATION DESIGN SHOP PROGRAM

GUIDELINE 1 - NON-COMPLIANCE

Where an endorsed Waterwise Irrigation Design Shop fails to act in accordance with the terms of the Waterwise Irrigation Design Shop Program Guidelines, the endorsement may be suspended or cancelled without notice and without refund of any fees paid.

GUIDELINE 2 – RETAINING ENDORSEMENT IF NO STAFF ARE ENDORSED

If no staff members are endorsed for an extended period, it may lead to non-compliance as per Guideline 3 states that new staff must be endorsed according to the program guidelines.

A grace period will be provided for two months from the date of notification to address this non-compliance. During this time, new staff members must complete the necessary study, assessment and pass to obtain their endorsement.

If, after the two-month grace period, the new staff members successfully pass the examination and meet the program guidelines, the store will retain its endorsement in the Waterwise Irrigation Program.

Failure to comply with the two-month grace period and attain endorsement for new staff may result in the temporary suspension or withdrawal of the store's endorsement from the program.

In the event of endorsement withdrawal, the store may re-apply to the Waterwise Irrigation Program after addressing the non-compliance concerns and demonstrating adherence to all program guidelines.

GUIDELINE 2 – ACKNOWLEDGMENT AND AGREEMENT TO COMPLY WITH ALL THE GUIDELINES, PROCESSES AND REGULATIONS OF THE WATERWISE IRRIGATION DESIGN SHOP PROGRAM

In applying for entry to the Waterwise Irrigation Design Shop program, the business owner/manager and individual employees will be requested to accept that they have read, understood, and will comply with these guidelines.

Members acknowledge that their contact details will be supplied to Water Corporation.

Any queries relating to the Waterwise Irrigation Design Shop Program Guidelines can be directed to the Waterwise Administrator at (08) 6263 7774 or adminsupport@irrigation.org.au
